

## **NCMC Mission Statement and Tagline**

The mission of NCMC is to assist individuals in our educational/business community, to attain their goals through open admission, reasonable costs, progressive curriculum and services – delivered by a caring, competent staff in a safe, technology-rich learning environment.

During the self-study process, NCMC adopted a tag line, *NCMC – Where Lifelong Learners Emerge...* in an effort to better inform its constituents of its overall objective.
